Jane Street Puzzle June 2026

Andrew Ely

frequent Frazier foe
type of magazine you might start getting in your 20's
arguably, the story of our time (and a hint to answering all the *other* clues...)
stage name of a famous skeptic (with "The")
Oscar-winning role from the 80's
often-inset pair, for short
microwaveable snack brand that replaced a refrigerated product
where to find "take thou this vial" and "double, double toil and trouble"
you might break it in Kabul
eponym of multiple continents (and the answer that should come last after sorting)
onetime Outkast output
notable 2026 launch
the present, in the past
our nearest neighbors, in some sense (though we haven't visited yet...)

The answers to these clues need sorting! Move them into their proper locations, then use those moves to populate the final clue, below.

_	_	_	_	_	_		_	_	_	_	_		_	_	_
7	8	10	15	12	9		13	6	11	3	14		4	2	5
